Scope

This policy provides a collaborative framework for the development and governance of *Christian and Missionary Alliance* (CMA) *Bible Quizzing* (BQ). Responsibilities for logistical support remain with the Life Office for the CMA.

- Developing and managing an annual program budget
- Planning and giving oversight to the International Quizzing Competition
- Facilitating communications among quizzing leadership
- Maintaining records and databases as necessary

The CQLT shall consist of 6 persons; with no more than 1 representative from any 1 district, if possible, chosen from among the district team leaders and/or adult coaches of district quizzing teams.

At least 2 members of the CQLT shall be chosen from Canadian team coaches and at least 2 members shall be chosen from among U.S. team coaches to ensure the interests of Alliance churches and districts in each country are represented.

A maximum of 2 non-Alliance members can be voted onto the CQLT with a maximum of 1 per election. Nominations follow the same approval process as listed in the election section below.

The director of the Life Office shall serve ex officio as a resource to the leadership team to coordinate programming and appropriate support for the International Quizzing Competition. The national youth director of each country or an equivalent representative may participate in any meeting of the CQLT.

Term

Members serve for a 3-year term with the possibility of 2 consecutive terms. Members serving consecutive terms will experience a gap of at least 1 year before being eligible for re-election. The Life Office director and national youth directors, who serve ex officio as a non-voting member are exempt from a gap year.

Election

An election for team members shall be held annually. Normally 2 new members will be elected each year.

Each district may nominate a person for the CQLT and the CQLT will create a short list of 2 names per vacancy for elections unless fewer names are nominated. Nominees must have the approval of the District quizzing point person, the District Superintendent or his appointee and the nominee's pastor. Ballots will be sent to every district quiz program. Each participating district shall be entitled to 1 vote for each vacancy. If a representative is needed from 1 country, then the person from that country with the highest vote will be elected followed by the person with the highest number of votes.
